2021 WESS OSHC Information and Parent Agreement Letter

Please read carefully as guardians are required to agree to all information enclosed in this Enrolment Pack.

Welcome to the West End State School Outside School Hours Care Service.

Enclosed are important Enrolment Forms that must be completed and returned to us before we can accept your child into the care of our service.

The forms are comprehensive and designed to provide us with vital information about your family, which assists us in better caring for your child. Please take the time to read the Enrolment Forms carefully and answer all questions fully and accurately. The more information you can provide the better. Additional information about your child or family can be provided on blank pages if necessary, provided they are signed and dated by you. If you need help, please see the OSHC Coordinator.

It is important that the Service always has up-to-date information, so each family needs to re-enrol each year. However, if any of your details or circumstances changes at any time during the year, please let us know in writing as soon as possible. **Bookings are not guaranteed; please see below for more information.**

Child Care Subsidy

The Child Care Subsidy is implemented by the Federal Australian Government to assist eligible families with the cost of child-care. When applying for CCS, you will have to do the following:

1. Create a myGov account.
2. Link your Centrelink account to your myGov account.
3. Complete any eligibility testing.
4. Confirm your enrolment with WESS OSHC (this cannot be done until your enrolment has been processed and bookings made).

For more information about the CCS please go to [education.gov.au/childcare](https://www.humanservices.gov.au/individuals/enablers/how-your-income-affects-ccs) and <https://www.humanservices.gov.au/individuals/enablers/how-your-income-affects-ccs> OR <http://guides.dss.gov.au/family-assistance-guide/1/1/a/05>

- Centrelink will remove CCS to any bookings where a child is absent at the beginning of their bookings.
- Centrelink will remove CCS to any bookings where a child is absent at the end of their bookings until their last physical attendance.

Late Pick-Up Procedures

- If you are running late, contact the Service and let us know when you will be able to pick-up your child.
- Two staff-members will stay back with your child.
- If staff-members are unable to contact anyone on your Emergency Contacts list, and no-one contacts the Service by 6:30pm, staff will then be required to contact the police in order for them to collect your child.
- A late pick-up fee will also be charged to the account (see fees above).
- Late-fee will be charged according to the Service clock/electronic sign-out system.
- Due to legal licensing requirements, if a child is picked-up late on three or more occasions in one year the Management Committee will be notified and a letter of warning will be sent to the parent/caregiver from the Coordinator.
- Continued or deliberate lateness may result in the child's enrolment at the Service being suspended.

Child Absences

- The Service has a strict legal duty-of-care to make sure all children who are booked-into after-school care arrive or their absences are accounted for.
- The Service and school are separate legal and business identities – as such, the Service **ALWAYS** needs direct confirmation of absence from a parent/authorised person.
- If a child does not arrive, the Service will contact the parents/guardians by phone-call and text.
- If we cannot contact a parent, the Service may be required to call the Police, who may conduct their own welfare check.
- All absences for permanent bookings are to be charged and paid for in full.
- All absences for casual bookings are to be charged and paid for in full, unless cancelled in time.
- Under the Child Care Subsidy, eligible families get 42 absences per year that are covered by CCS. After those 42 absences days have been used-up, all absences afterwards are charged at full price. Centrelink records absences per the child not the parent/family. If families have separated accounts with WESS OSHC absences will be shared. Child absences will also carry over from other child care centres.

Extra-Curricular Activities (ECA)

- WESS OSHC does not organise any Extra-Curricular Activities (for more information, contact the P&C for swimming activities, and the school-office for all other activities).
- The Service is able to escort children going to and from Extra-Curricular Activities (ECA), while also attending OSHC. The service is only able to escort to Extra-Curricular Activities (ECA) conducted on school premises.
- If your child also wants to leave the Service early during before-school care, parents will also need to complete an 'Early Release Form'. Children cannot be release before 8:15am as per school policies and Prep children cannot be release early at all.
- Parents will need to sign an ECA Permission Form each term.

Service Program and Routines

The Service offers a program format that allows for both planned and spontaneous activities. The planned program caters to and builds-on children's developmental stages, ages, skills, abilities, interests, and cultural heritage, through a variety of stimulating and challenging recreational activities, as well as providing an area for children to do homework, read, or simply chill-out.

Children are encouraged to participate in all the activities within the limitation of their skills and abilities and with sensitivity to any cultural considerations, and are regularly surveyed for their ideas, interests, and feedback. A copy of the weekly program of activities and routines is displayed on the notice board above the parents' corner in the multi-purpose room for viewing.
